Auto Dealers Approach \$5M Texas Mutual Dividend Mark

November 3, 2010

[E-mail this Article](#) [Post Comment](#) [Print this Article](#) [Article Reprints](#)

Texas Mutual Insurance Co. announced an \$856,859 dividend to the Lone Star Auto Dealers (LSA) worker's compensation purchasing group. The dividend was based largely on the groups loss ratio. LSA has earned \$4.7 million in Texas Mutual dividends since 2002. By committing to workplace safety and helping injured workers return to productive employment, LSA members improve their chances of qualifying for future dividends. Purchasing groups reach 100% of their dividend potential in their third year. Past dividends are not a guarantee of future dividends. Texas Department of Insurance must approve all dividends.

In addition to potential dividends, Lone Star Auto Dealers members get a discount on their worker's compensation premium. Policyholders may be eligible for up to another 12% annual discount if they participate in our worker's compensation health care network. The network's focus is on getting injured workers well and back on the job.

Texas law allows employers in similar industries to buy their worker's compensation insurance as a group. Lone Star Auto Dealers is open to qualifying franchised auto, truck, motorcycle, boat & RV dealerships.

Any licensed Texas agent can submit qualifying clients for consideration in the Lone Star Auto Dealers Group. For more information about the Lone Star Auto Dealers Association purchasing group, go to www.lonestarautodealers.com or contact Brad Wicker at 877-694-2537 bwicker@nts-online.net
