Drive down your workers' comp premiums.

Our new workers' compensation model comes fully loaded at no extra charge. The Lone Star Auto Dealers safety group helps you drive down your premiums.

Trade in your old model

Workers' comp is the only coverage that provides medical and income benefits for injured workers and legal protection for employers.

State law allows employers in similar businesses to reduce their premiums by purchasing their coverage as a group. The Lone Star Auto Dealers safety group is open to franchised auto, truck, RV, boat and motorcycle dealerships. For a list of eligible class codes, visit www.texasmutual.com, or call (800) 859-5995.

Fleet of value

Lone Star Auto Dealers group members get a discount on their premium, an industry-specific safety plan and potential dividends.* Eligible policyholders can earn an additional discount by participating in Texas Mutual Insurance Company's workers' comp health care network.

Fully loaded coverage

Texas Mutual Insurance Company is your long-term workers' comp solution. Other benefits of *Texas Mutual*[®] coverage include:

- Zero tolerance for fraud policy
